

Merry Christmas

The management and staff at Hawk would like to wish you and your family a joyous and prosperous festive season, and thank all our valued customers for making 2007 such a success. We look forward to a bright and happy new year.

The Johannesburg office closes on the 14th December and re-opens on 7th January while the Durban office closes on the 21st December and re-opens on the 7th January.

Hawk makes some unusual machines. These three triple-pump units are destined for carwash applications where water supply is intermittent. Fitted with large tanks and low-water-level cut-out switches will make the pumps last very much longer.

Havenside Sporting Club

Neville (third from left in back row) plays for, and coaches, the Havenside soccer team. Hawk sponsors the team and was thrilled when their team reached the finals of the league matches, unfortunately losing 2:1.

Bon Voyage and Best Wishes

We bid farewell to Kevin (left) and Peter (right). Kevin decided to go back to his home in London, and will be sorely missed. Peter retired after working for Monitor for 21 years. He has been ill for quite a long time and will benefit from being able to relax.

We wish all the best to both of these men.

Some of the Monitor staff starting to unwind at the annual christmas lunch held at the A-2-A Restaurant at Sibaya Casino. Each person was given some cash to feed the slot machines. Needless-to-say, once again, only Malinda walked away a winner.
